This volume brings together papers presented at the Fifth International Conference of the European Historical Bibliographies Project, held in Prague on November 7 - 8, 2013, under the auspices of the Department of Historical Bibliography of the Institute of History of the Academy of Science of the Czech Republic. The conference attracted bibliographers, historians and librarians from Denmark, France, Ireland, Lithuania, Germany, Switzerland and from a number of Czech institutions and libraries, who gathered to discuss a wide range of topics. The main theme of the conference was the significance of historical bibliography for historical science. Given the diversity of professional focus among the conference participants, this topic was approached and examined from a variety of viewpoints.
